Open Access Policy

International Journal of Technoinformatics Engineering (IJTE) published by Aimbell Publications is an open-access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any other lawful purpose, without asking prior permission from the publisher or the author. This is in accordance with the [Budapest Open Access Initiative](#) (BOAI) definition of open access.

All articles are published under CC BY 4.0 licence.

This license allows users to distribute, remix, adapt, and build upon the material in any medium or format, so long as attribution is given to the creator. The license allows for commercial use also.

Aimbell Publications' services and policies ensure that authors can fully comply with the public access requirements of major funding bodies worldwide.
